

Beginner Band Calendar 2018-2019

The Maus Band Calendar includes dates for band functions for the entire school year. Some dates may be subject to change depending facilities scheduling. If the event is a social, it is optional but highly encouraged! *Italics indicate that the event is not required, but would be fun to attend to support the older band students. All other events are required on this calendar.*

If you have any conflicts with this calendar, please let us know in the first two weeks of school.

No Orthodontia Zones

February 4 - April 18

For students who play woodwind and brass instruments, adding or removing braces immediately before a performance can derail months of students' hard work. By avoiding major orthodontic changes leading up to a performance, we can help make the adjustment period a smooth one!

If major changes within the pre-performance window are unavoidable, please contact Mrs. Lewis.
